Re: Voluntary Equal Payment Plan

The Equal Payment Plan for the year 2007-2008 ends April 30, 2008. At that time, all accounts must be current. If an account remains in arrears, it will be taken off non-penalty status. Accounts with a credit balance have been recalculated to include this amount in the new payment.

Enclosed is a new Payment Plan agreement, if you are still interested, please return a signed copy to the Village Hall by May 15, 2008.

If you have any questions regarding the plan, feel free to call the Water and Gas Office at 628-3416.

Thank you,

Larry Rhodes
